

We're Your Single-Source for Equipment, Service and Repair

TWO LOCATIONS
TO SERVE YOU.

Kennedy's culture believes in Continuous Improvement. Continuous Improvement requires continuous investment in our facilities, equipment and personnel to ensure a Plus One experience. The result for our customers is an improvement of their entire process, not just a singular fix. As a trusted advisor, Kennedy works hard to alleviate its customers' greatest pain points, ultimately leading to true value. Our team of highly dedicated men and women are available 24/7 and will do whatever it takes to provide 100% customer satisfaction.

➞ Repair Services

Engineered & Submersible Pump Repair
Pump/System Failure Analysis
Capability of ½ hp to 7,000 hp

➞ Maintenance/Field Services

Pump Station Maintenance Programs
Energy Audits, Vibration Analysis
Equipment Reliability Program
Kennedy Enhanced Customer Service

➞ Systems Design

Process, Pump Station Layout/Design
Process, Pump, Valve and Actuator Selection
Power Generation Design
Engineer Budgets and Specifications

➞ Controls & Monitoring

PLC/SCADA Programming
Custom Controls
Station Monitoring
Energy Efficiency Monitoring

➞ 24/7 Specialty Services

Bypass Pumping
Pump Rental
Pump Alignment
Plus One Program

➞ Training/Test Pit
